To the Honorable City Council
of the City of Pasadena

Mayor and Councilmembers:

WEEKLY NEWSLETTER

1. Federal and State Homeless Grant Funding Awards:

According to William Huang, Director of Housing, the Department has received notice of three separate awards to combat homelessness in the City. The awards received are from the State of California Department of Housing & Community Development (HCD), the State of California Homeless Coordinating and Financing Council of the Business, Consumer Services and Housing Agency (BSCSH), and the U.S. Department of Housing and Urban Development (HUD).

HCD has awarded the City $720,243 in new funding to be spent over the next five years for targeted programs to prevent and to combat homelessness. A portion of these funds will go to partially fund a new City staff person within the Department of Housing who will assist in planning activities. The remainder of the funds will be allocated through a competitive process to qualified non-profit agencies. Prioritized services will include homelessness prevention services, eviction defense legal services, and landlord incentives. Grant funds will provide funding to FY 2020 through FY 2024.

BSCSH has awarded the City $1,428,216 in new funding to meet emergency needs among people experiencing homelessness. All funds will be allocated through competitive selection processes. The large majority of the funds will be allocated to qualified non-profit agencies to provide emergency shelter through motel vouchers, direct medical care, and housing location services to people experiencing homelessness. A portion of the funds will be allocated for capital improvements that will improve access to and services of local non-profits serving people experiencing homelessness. The remainder of these funds will be allocated to a qualified consultant, who will aid the City in a community engagement strategy to educate Pasadena residents about homelessness and relevant solutions such as permanent supportive housing. Grant funds will provide funding to FY 2020 and FY 2021.
HUD has awarded the Pasadena Continuum of Care (CoC) $3,561,687 to provide housing and supportive services to homeless individuals and families. The CoC is led by the Pasadena Partnership to End Homelessness (Pasadena Partnership), with City of Pasadena acting as lead agency. The HUD award will fund 13 CoC projects that were included in the application submitted to HUD for funding as part of the annual Continuum of Care homeless funding competition. These projects will provide permanent supportive housing and coordinated entry to homeless individuals and families in Pasadena. Permanent supportive housing provides permanent housing to individuals and families with a disability, prioritizing those who are chronically homeless. Coordinated entry is a process through which the most vulnerable homeless residents are prioritized to be matched with the available and appropriate housing resources in a systematic and efficient manner. The HUD award will also fund the Homeless Management Information System, as well as a Domestic Violence project, which will serve individuals and families who are fleeing or have experienced domestic violence and are now experiencing homelessness. Grants awarded in the 2018 competition will provide FY 2019 & 2020 funding.

Permanent Supportive Housing Projects funded include:

Euclid Villa ($183,407)
CHOISS ($175,355)
Hestia House ($262,516)
Holly Street Housing ($940,997)
Navarro House ($46,226)
Step Up ($150,221)
2 CoC Rental Assistance Grants ($1,213,755)

Additional projects funded include:

CoC Coordinated Entry System ($124,423)
2018 CoC Planning Project ($94,898)
Homeless Management Information Systems (HMIS) ($140,378)
HMIS Expansion ($85,000)
Domestic Violence-Supportive Services ($144,411)

2. **Tree Removal List:**

The attached list submitted by Ara Maloyan, P.E., Director of Public Works, highlights pending removals of dead, dying and hazardous trees on a non-emergency basis throughout Pasadena, as well as trees recently removed on an emergency basis. The Parks & Natural Resources Division has posted the non-emergency removals and notified pertinent residents consistent with the City’s Tree Removal Policy.

Residents are encouraged to call the Parks & Natural Resources Division at (626) 744-7311 to learn more about the City’s tree maintenance and/or planting efforts or to report a problem with the urban forest.
3. **Foothill Freeway (I-210) Closures for Pavement Rehabilitation – Update:**

The California Department of Transportation (Caltrans) has provided updates to the closed portions of the Foothill Freeway (I-210) as part of a pavement rehabilitation project. The attached news release from Caltrans provides additional detailed information.

4. **Legal Advertisements and Public Notices:**

I have attached a memorandum from Mark Jomsky, City Clerk, which provides this week’s submission of upcoming legal advertisements and public notices set for publication. In addition, the webpage for posting public notices and advertisements has been updated with the attached information and can be accessed from the City’s home webpage at [https://www.cityofpasadena.net/main/](https://www.cityofpasadena.net/main/). If you require additional, detailed information on these legal advertising and public notices, please contact Mr. Jomsky at (626) 744-4709.

Respectfully Submitted,

NICHOLAS G. RODRIGUEZ
Assistant City Manager

Zoning Code Amendment Relating to Regulation of Adult Businesses

PROJECT DESCRIPTION: The last time the adult business provisions in the Pasadena Municipal Code were updated was 2006. Changes in the law that applies to adult businesses, and in the adult business industry itself, require an update and modernization of the PMC sections that govern these uses. Accordingly, amendments are being proposed to the adult business provisions in Title 17 (Zoning Code) as well as Title 5 of the Municipal Code.

PROJECT LOCATION: All properties within the City of Pasadena.

ENVIRONMENTAL DETERMINATION: The Planning Commission will consider whether adoption of the proposed Zoning Code Amendment is exempt from the California Environmental Quality Act (CEQA) under Section 15061(b)(3), the "general rule" that CEQA applies only to projects which have the potential for causing a significant effect on the environment, and that where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. Since the proposed activity would not expand the locations in which these land uses may locate beyond what is currently allowed, there is no possibility that the amendments will have a significant effect on the environment.

APPROVALS NEEDED: The Planning Commission will conduct a public hearing and consider the proposed Zoning Code Amendment on February 27, 2019. The Planning Commission will forward its recommendation to the City Council. The City Council will make a final decision on the proposed Zoning Code Amendment and related Municipal Code Amendment at a separately-noticed public hearing.

NOTICE IS HEREBY GIVEN that the Planning Commission will hold a public hearing to receive input from the public and provide comments on the proposed Zoning Code Amendment to more effectively regulate land uses relating to adult businesses.

Date: Wednesday, February 27, 2019
Time: 6:30 p.m.
Place: City Hall
          Council Chamber, Room S249
          100 North Garfield Avenue

PUBLIC INFORMATION: Any interested party or their representative may appear at the meeting and comment on the project. Written comments should be sent to Andre Sahakian, Senior Planner, at the address listed below. If you wish to challenge this matter in court you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or written correspondence delivered to the hearing body, at or prior to the public hearing.
